**Country:** Ukraine

**Sector:** Waste

**Funding source:** Green Recovery Programme for Ukraine/Sweden

**Procurement:** Goods

**Notice type:** General Procurement Notice

**Issue date:** 12 July 2024

**Estimated closing date:** 30 June 2025

The City of Irpin is planning to announce competitive tendering for the goods defined by the Project "Demolition of Destroyed Buildings and Management of Construction Demolition Waste (CDW) in the Kyiv Region, Ukraine".

The aim of the Project is to demonstrate how a demolishing process and management of associated waste streams can be done in a manner preventing major risks to health, safety and environment and in accordance with the principles of circular economy. This will be achieved by following EU guidelines and best practices, as well as local legislation.

To implement the project, the City intends to use grant funds provided by Sweden under the Green Recovery Programme for Ukraine managed by Nefco. Part of the funds will be used to procure necessary demolition machinery, equipment and tools, including mobile crusher(s) and screener(s); excavators with demolition tools; various types of trucks; cranes; access platform; fog cannons; containers; hand tools and personal protective equipment (PPEs).

The overall budget for the procurement of the above-mentioned goods is expected to be within **5 million EUR** (exclusive of VAT).

Tendering for contract(s) under the above Project is expected to begin in **Q 3-4 2024**. Specific invitation(s) for tender(s) will be announced as they become available.

Tendering will follow and be subject to NEFCO Procurement Policy and Procedures and will be opened to firms from any country. However, the proceeds of the grant will not be used for the purpose of any payment to persons or entities, or for any import of goods, if such payment or import is prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations or under a law or official regulations of Ukraine.
